

Dear Department of Medicine Faculty, Fellows and Residents

Yesterday was Fellowship Match Day, and we want to share our outstanding results with you. After a unique and challenging season affected by the pandemic, our Northwestern medicine residents matched at highly competitive programs throughout the country. We greatly appreciate the nice, hard-working and smart residents, and we thank you as faculty and fellow mentors for your support.

Sincerely,
Aashish Didwania

Allergy & Immunology

Elizabeth Kudlaty - Northwestern

Cardiology

Austin Culver - Georgetown
Jordan Gavin - Ohio State
Peter Glynn - Northwestern
Martin Gruca - University of Chicago
